MONIKA

Engineering

Profile

A detail-oriented Web Developer with hands-on experience in building responsive websites and web applications using HTML, CSS, JavaScript, and React. Adept at collaborating with cross-functional teams and translating client requirements into effective digital solutions. Committed to continuous learning and clean coding practices.

Work Experience

WEB DEVELOPER

- Built a responsive website using HTML, CSS, and JavaScript for local business. Collaborated with a small team to create dynamic pages using React. Integrated contact forms and maps using APIs. Gained hands-on experience with GitHub for version control.

Academic Projects

- Portfolio Website
- Personal Project
- Designed and developed a personal portfolio site using HTML, CSS, and JavaScript.
- Deployed using GitHub Pages and ensured mobile responsiveness.
- E-Commerce Website (Mini Project) Created a simple e-commerce site with product listing, cart, and checkout features.
- Used Bootstrap for styling and JavaScript for cart functionality.
